

Customer Loyalty Programme 2021-2022

Did you know 70% of Active Digital customers came to us by being referred by another happy customer?

Everyone should enjoy the good stuff, which is why we're rewarding our customers for referring a friend to us. Either a business professional with one mobile or a UK company with many more.

We have re-worked our customer loyalty programme to make it easier and more worthwhile when making introductions.

Our loyalty programme is focused on exclusive offers and experiences. It is through this new platform, Active Digital customers can get discounts for restaurants and entertainment, access to tickets for events before they're released that make customers feel like a VIP.

Download the Active Digital app, free on IOS to keep in touch with the latest offers and events.
